📁 PROJECTS

students.iiitr.ac.in ↗   June 2021 – present
Council of Students Affairs Official Website - IIIT Raichur
This is the Official Website for the Council of Student Affairs of the Indian
Institute of Information Technology, Raichur.

Discord Bots website and dashboard ↗   May 2021 – present
This is Discord bot which have 250+ commands and which is still under
development and It is having dashboard so that it will be easy to customise
or change bot settings and in one week I am going to add bot hosting like
pinging of websites which are hosted replit and glitch to make them 24/7
online.

botlist.runwaystudios.tech ↗   March 2021 – present
Discord Bots Lists
This is where we can find the best discord bots and you can also add your
bots which increases the server count and it will help others to reach your
discord bot.

Avenger Discord Bot ↗   February 2021 – present
